

# Panasonic

## Dive into the Panasonic Universe!

Experience the extensive Panasonic portfolio connected at one location:

### **The Panasonic Campus Munich.**

Discover firsthand how our solutions are applied in the areas of:

- **Corporate** - An overarching bond to make the world a better place
- **Mobility** - A driving force, paving the way for the future in motion
- **Home IoT** - Creating the future of living through sustainable systems and home solutions
- **Co-Creation** - Out-of-the-box and cross value thinking
- **Gemba** - The physical site where solutions are created through process innovation
- **Retail** - Enhancing the customer shopping experience through optimized in-store operations
- **Public** - Securing the safety of public spaces when people come together

Technical centers, laboratories, and service facilities provide a unique insight into the customized world of Panasonic.

We look forward to your visit!
